DISCOVER CHARISMA. **DISCOVER THE NEW BMW 2 SERIES COUPÉ AND CONVERTIBLE.**

**MORE DRIVING PLEASURE,  
LESS EMISSIONS.**

**MORE POWER FROM  
LESS FUEL.**

More power from 3 to 12 cylinders. Consume less, experience more – the **BMW TwinPower Turbo engines** offer the greatest possible dynamic performance with the greatest possible efficiency thanks to the newest injection systems, variable output control and sophisticated turbocharger technology. Whether diesel or petrol, and no matter how many cylinders, the engines from the BMW EfficientDynamics engine family allow markedly more agile power delivery and outstanding responsiveness even at low rpms, while being fuel-efficient and low in emissions.

Approximately 33% less CO<sub>2</sub> emissions since 2000: **BMW EfficientDynamics** is a technology package that includes not only the drive, but rather the whole vehicle concept and intelligent energy management. Provided as standard in every BMW, a variety of innovative technologies contribute to continuously improving efficiency. Via engine efficiency measures, electrification, lightweight construction methods and optimised aerodynamics, BMW has managed to reduce the CO<sub>2</sub> emissions of its fleet by 33%.

**MORE SPEED, LESS WEIGHT.**

Lower weight with intelligent lightweight construction. Special consideration for every last detail – intelligent lightweight construction means that the optimal material is found and implemented for each part of the vehicle. With extremely light high-tech materials such as aluminium and carbon fibre, **BMW EfficientLightweight** is pursuing the goal of minimising vehicle weight. That leads to even more dynamic performance, increased stability and heightened vehicle safety and comfort.

**DRIVING EXPERIENCE  
CONTROL INCL. ECO PRO**

Driving Experience Control offers the driver the choice between the standard COMFORT mode, the more efficient ECO PRO mode, and the SPORT and SPORT+<sup>1</sup> modes, for an even more dynamic drive. ECO PRO mode adjusts the characteristics of the Steptronic transmission (if present) and the heating/air conditioning settings to make the drive as fuel-efficient as possible.

**STEPTRONIC TRANSMISSION**

The 8-speed Steptronic transmission<sup>2</sup> ensures particularly smooth gearshifts and outstanding driving comfort, thanks to fast engine speed transitions and tightly spaced gear ratios. It unites superb comfort with impressive dynamics and increased fuel efficiency.

**AUTOMATIC START/STOP  
FUNCTION**

The Automatic Start/Stop function switches off the engine when the vehicle comes to a temporary standstill (e.g. at traffic lights or in a traffic jam), which can reduce overall fuel consumption. When the driver presses down on the clutch (manual transmission) or takes their foot off the brake (Steptronic transmission), the engine automatically starts up again in a fraction of a second.

**IN THE NEW BMW 2 SERIES  
COUPÉ AND CONVERTIBLE.**

**BMW 218i Coupé // Convertible**

- BMW TwinPower Turbo 3-cylinder petrol engine with 100 kW (136 hp) and 220 Nm torque
- Acceleration 0–100 km/h: 8.8 [8.9] s // 9.4 [9.6] s
- Top speed: 210 [210] km/h // 207 [205] km/h
- Combined fuel consumption: 5.1–5.6 [5.1–5.5] l/100 km // 5.5–6.0 [5.3–5.8] l/100 km
- Combined CO<sub>2</sub> emissions: 119–130 [118–129] g/km // 129–139 [124–134] g/km

**BMW 218d Coupé // Convertible**

- BMW TwinPower Turbo 4-cylinder diesel engine with 110 kW (150 hp) and 320 Nm torque
- Acceleration 0–100 km/h: 8.4 [8.2] s // 8.9 [8.7] s
- Top speed: 213 [213] km/h // 208 [205] km/h
- Combined fuel consumption: 4.0–4.4 [3.8–4.2] l/100 km // 4.3–4.7 [4.1–4.5] l/100 km
- Combined CO<sub>2</sub> emissions: 106–116 [101–111] g/km // 114–124 [108–118] g/km

**BMW 220i Coupé // Convertible**

- BMW TwinPower Turbo 4-cylinder petrol engine with 135 kW (184 hp) and 270 Nm torque
- Acceleration 0–100 km/h: [7.2] s // [7.7] s
- Top speed: [230] km/h // [226] km/h
- Combined fuel consumption: [5.5–5.9] l/100 km // [5.8–6.2] l/100 km
- Combined CO<sub>2</sub> emissions: [127–136] g/km // [133–141] g/km

**BMW 230i Coupé // Convertible**

- BMW TwinPower Turbo 4-cylinder petrol engine with 185 kW (252 hp) and 350 Nm torque
- Acceleration 0–100 km/h: [5.6] s // [5.9] s
- Top speed: [250]<sup>3</sup> km/h // [250]<sup>3</sup> km/h
- Combined fuel consumption: [5.7–5.9] l/100 km // [6.0–6.2] l/100 km
- Combined CO<sub>2</sub> emissions: [131–134] g/km // [138–143] g/km

**BMW M240i // M240i xDrive Coupé // Convertible**

- M Performance TwinPower Turbo 6-cylinder in-line petrol engine with 250 kW (340 hp) and 500 Nm torque
- Acceleration 0–100 km/h: 4.8 [4.6] s // 4.9 [4.7] s
- Acceleration 0–100 km/h xDrive: [4.4] s // [4.6] s
- Top speed: 250<sup>3</sup> [250]<sup>3</sup> km/h // 250<sup>3</sup> [250]<sup>3</sup> km/h
- Top speed xDrive: [250]<sup>3</sup> km/h // [250]<sup>3</sup> km/h
- Combined fuel consumption: 7.8 [7.1] l/100 km // 8.3 [7.4] l/100 km
- Combined fuel consumption xDrive: [7.4] l/100 km // [7.8] l/100 km
- Combined CO<sub>2</sub> emissions: 179 [163] g/km // 189 [169] g/km
- Combined CO<sub>2</sub> emissions xDrive: [169] g/km // [179] g/km

**BMW 220d xDrive Coupé**

- BMW TwinPower Turbo 4-cylinder diesel engine with 140 kW (190 hp) and 400 Nm torque
- Acceleration 0–100 km/h: [6.9] s
- Top speed: [225] km/h
- Combined fuel consumption: [4.3–4.7] l/100 km
- Combined CO<sub>2</sub> emissions: [113–124] g/km

**BMW 225d Coupé // Convertible**

- BMW TwinPower Turbo 4-cylinder diesel engine with 165 kW (224 hp) and 450 Nm torque
- Acceleration 0–100 km/h: [6.2] s // [6.4] s
- Top speed: [243] km/h // [235] km/h
- Combined fuel consumption: [4.3–4.6] l/100 km // [4.6–4.9] l/100 km
- Combined CO<sub>2</sub> emissions: [114–121] g/km // [121–128] g/km

<sup>1</sup> Only available in conjunction with additional equipment.

<sup>2</sup> Available as optional equipment.

## THE NEW BMW 2 SERIES – DIGITALLY CONNECTED FOR MORE INFOTAINMENT AND COMFORT.

### REGISTERS UP TO **360** DEGREES OF THE VEHICLE'S SURROUNDINGS.

Enjoy the greatest convenience and the highest level of safety with the BMW Personal CoPilot. For driving, parking and visibility, you can rely on BMW Personal CoPilot driver assistance systems in every situation. The most cutting-edge systems, such as radar, ultrasound and cameras, dependably register the vehicle's surroundings, forming the basis for intelligent driver assistance systems. Either activated when desired, or as emergency assistance in the background – BMW Personal CoPilot assistance systems make every drive in your BMW even safer and more enjoyable.

### CONNECTED FOR **40** YEARS.

Focused on the future – from the very beginning. By the 1970s, BMW had already made headway in connected mobility. Another milestone of the digital future was surpassed in 1999: vehicles with built-in SIM cards. Then came the first online functionality, Google Services and innovative display systems such as the BMW Head-Up Display. Throughout this process, the desires of the customer have always taken centre stage. As the first premium automobile manufacturer, BMW makes it possible to book and pay for services flexibly via the BMW ConnectedDrive Store, in the vehicle or on a computer at home. And with the introduction of BMW Connected and the Open Mobility Cloud, BMW is taking the next steps into the future of mobility.

### MORE THAN **20** SERVICES AND APPS IN THE BMW CONNECTED DRIVE STORE.

The ConnectedDrive Services equipment forms the basis for intelligent BMW ConnectedDrive functions, as well as for the integration of selected smartphone apps. This equipment also provides access to the BMW ConnectedDrive Store, in which services and apps can be ordered and extended easily, any time and anywhere to suit the user's individual requirements – for example with the Concierge Service or Online Entertainment, which turn every drive into a convenient and entertaining experience.

### IN TOUCH **24/7** WITH BMW CONNECTED.

What would it be like if you were never late again? What if your BMW already knew your preferred destinations? How would you like reliable navigation, whether you're sitting in your vehicle or not? BMW Connected provides you with the information you want, when and where you want it. BMW Connected is a personal mobility assistant which facilitates your everyday mobility and aids you in reaching your destinations relaxed and on time. With the BMW Connected app, mobility-relevant information such as recommendations for optimal departure times are available at any time via smartphone or smartwatch and can be seamlessly transmitted to the car.

## CONNECTED DRIVE SERVICES

ConnectedDrive Services<sup>1</sup> forms the basis for the BMW ConnectedDrive functions, which provide the driver with a wide range of information, entertainment and service features while on the road, including news, online search and office functions. It enables use of selected smartphone apps such as the BMW Connected App and access to the BMW ConnectedDrive Store.

## BMW CONNECTED

BMW Connected<sup>2</sup> is a personal mobility assistant which facilitates everyday mobility and assists drivers in reaching their destinations relaxed and on time. Mobility-relevant information such as recommendations for optimal departure times are available remotely via smartphone or smart watch and can be seamlessly transferred into the car.

## CONCIERGE SERVICE

The Concierge Service<sup>1,2</sup> connects the driver to a BMW call centre agent at the push of a button. The agent can locate a particular restaurant, the nearest cash dispenser or an emergency pharmacy and send the address details directly to the BMW navigation system.

## ONLINE ENTERTAINMENT

Via the integrated infotainment system, Online Entertainment<sup>1,3</sup> offers constant access to more than 30 million music titles from our partners Napster or Deezer. In addition, the music is available wherever listening is convenient – every other supported device also has access to the music titles, even outside of the car. Easily and conveniently.

<sup>1</sup> Available as optional equipment.

<sup>2</sup> The Internet option is only available in conjunction with ConnectedDrive Services.

<sup>3</sup> ConnectedDrive Services and the Professional Navigation system are required for use. Use of a flat-rate music service from a BMW music partner depends on the terms and conditions of the respective music partner.

Standard equipment  Optional equipment

The **rear-wheel drive** forms the basis for classic BMW steering precision, agility and sporty driving characteristics. Seeing as propulsion comes from the rear instead of the front wheels, it enables highly sensitive steering and the ideal weight distribution of 50:50. This ensures great traction and directional stability on bends.

The intelligent **BMW xDrive all-wheel drive system** smoothly and variably distributes drive power to the front and rear wheels for maximum traction, driving dynamics and safety in every driving situation. For even better agility, the electronically controlled power distribution counterbalances over and under-steering on bends, among other things.

An ideal **axle load distribution of 50:50** helps ensure great directional stability, agile handling and a precise steering response. While at the same time, a lower centre of gravity and shorter overhangs further improve driving characteristics.

The **Dynamic Stability Control (DSC)** with extended functionality stabilises the vehicle as soon as any skidding motion is detected. Its extended functionality includes Cornering Brake Control (CBC), the hill-start and braking assistant, brake drying and braking readiness. For even more athletic driving, the Dynamic Traction Control (DTC) function allows increased wheel slip.

The **Roll-over protection system**<sup>1</sup> in the rear headrests combined with the roll-over bar integrated into the windscreen frame forms the "passenger compartment". In case of accident the protective bars integrated into the headrests extend in fractions of a second to significantly improve head protection should the car roll over – guaranteeing a higher degree of safety.

The functional structure of the **Passenger cell** is composed of a specialised system of beams and nodal connections, featuring strategically deployed high-strength materials so as to deliver maximum passive safety in the event of front, side and rear collisions.

**Airbags** for driver and front passenger are part of the optimally coordinated safety components in a BMW. Overall, six airbags provide targeted protection: the driver and front passenger airbags, the head airbags for the entire window surface on the side<sup>2</sup>, and the side airbags integrated into the front seat backrests.

The **Tyre pressure indicator** shows the exact air pressure at all times and automatically warns the driver of any loss of pressure. The system uses sensors to record data for each tyre before transmitting it wirelessly to a control unit. So the Tyre pressure indicator is capable of displaying both slow and rapid loss of air pressure.

The **Intelligent Emergency Call**<sup>3</sup> automatically establishes a connection with the nearest rescue coordination centre through the BMW call centre whenever needed – without the use of a mobile phone. It transmits information regarding the vehicle's current location and the severity of the accident. The Intelligent Emergency Call can also be triggered manually in case other road users require help, for example.

**Adaptive LED headlights** with full LED technology include integrated turn indicators, low-beam headlights, high-beam headlights, as well as daytime running lights for safety and optimal illumination of the road. The High-beam assistant and Adaptive headlights with variable light control significantly enhance visibility in the dark – for relaxed driving almost like daily conditions.

<sup>1</sup> Only available for the BMW 2 Series Convertible.

<sup>2</sup> Side head airbags only available in the BMW 2 Series Coupé.

<sup>3</sup> In some countries, the intelligent emergency call connects directly to the local emergency services number rather than the BMW call centre.

# BASE.

Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

Equipment 24 | 25

■ All the controls in the driver-oriented cockpit follow an intuitive layout. An automatic air conditioning system with microfilter and air recirculation ensures pleasant conditions in the interior.

■ The standard seats with Move cloth upholstery in Anthracite provide multiple adjustment options for an ideal seat position.

## Selected base model equipment features:

- 16" light alloy wheels V-spoke style 378
- LED headlights
- Leather steering wheel
- 1-zone automatic air conditioning
- Radio BMW Professional
- Rear lights
- Infotainment concept

□ 17" light alloy wheels Y-spoke style 380, 7J x 17 with 205/50 R17 tyres.

# LUXURY LINE.

■ Standard equipment □ Optional equipment

■ The sport leather steering wheel with Pearl-Gloss Chrome detailing and Fineline Stream fine-wood trim with Oxide Silver matt accent line add elegant visual highlights.

□ The sport seats, shown here with Dakota leather upholstery in Cognac, feature raised side bolsters for outstanding support.

■ 17" light alloy wheels Double-spoke style 724 Ferric Grey gloss-lathed, 7.5J x 17 with 225/45 R17 tyres.

## Luxury Line exterior equipment:

- BMW kidney grille with eleven exclusively designed vertical slats in Chrome high-gloss
- Front bumper with specific design elements in Chrome high-gloss
- 17" light alloy wheels Double-spoke style 724, alternatively 18" light alloy wheels V-spoke style 387 with mixed tyres; other wheels available
- "Luxury Line" designation on the side
- Chrome Line Exterior
- Rear bumper with specific design elements in Chrome high-gloss
- Tailpipe trim strip in Chrome high-gloss

## Luxury Line interior equipment:

- Door sill finishers in Aluminium with "BMW" designation
- Seats in leather 'Dakota' Oyster with Oyster dark highlights; other upholsteries available
- Sport leather steering wheel
- Armrest front, sliding
- Car key with Pearl Chrome detailing
- Decorative stitching on the upper portion of the instrument panel
- Interior trim finishers in Fine-wood trim 'Fineline' Stream with accent in Pearl Chrome, alternatively Interior trim finishers in Fine-wood trim 'Fineline Pure' with accent in Pearl Chrome; other trims available
- Orange or white variable Ambient light

# SPORT LINE.

Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

Standard equipment  Optional equipment

The Sport Line's dynamic interior ambience is underscored by the high-gloss Black interior trim with matt Coral Red accent line.

## Sport Line exterior equipment:

- BMW kidney grille with eight exclusively designed vertical slats in Black high-gloss
- Front bumper with specific design elements in Black high-gloss
- 17" light alloy wheels Double-spoke style 725, alternatively
- 18" light alloy wheels Double-spoke style 384 with mixed tyres; other wheels available
- "Sport Line" lettering on the side
- Mirror caps in Black high-gloss, alternatively in body colour
- Rear bumper with specific design elements in Black high-gloss
- Tailpipe trim strip in Black Chrome

## Sport Line interior equipment:

- Door sill finishers in aluminium with "BMW" lettering
- Sport seats in Cloth 'Corner' Anthracite with Grey or Red accent, alternatively
- Sports seats in Leather 'Dakota' Coral Red with Black accent; other upholsteries available
- Sport leather steering wheel with red contrast stitching, alternatively available with black stitching
- Armrest front, sliding
- Car key with Red detailing
- Instrument cluster with speedometer and revolution counter with chronoscaling
- Decorative stitching on the upper portion of the instrument panel
- Interior trim finishers black high-gloss with accent in Coral Red matt, alternatively
- Interior trim finishers in Fine-wood trim 'Fineline Pure' with accent in Pearl Chrome; other trims available
- Orange or white variable Ambient light
- Driving Experience Control with additional SPORT+ mode

The sport seats in Black Dakota leather with Red highlights perfectly match the Sport Line design.

17" light alloy wheels Double-spoke style 725 Orbit Grey gloss-lathed, 7.5J x 17 with 225/45 R17 tyres.

18" light alloy wheels Double-spoke style 384 with mixed tyres, front 7.5J x 18 with 225/40 R18 tyres, rear 8J x 18 with 245/35 R18 tyres.

When the front doors are opened, one's eyes are immediately drawn to the BMW Sport door sill finishers made of aluminium.

# M SPORT PACKAGE.

Equipment 28 | 29

Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

powered by 

Standard equipment  Optional equipment

In the interior of the new BMW 2 Series Coupé, the M leather steering wheel with M emblem and the Aluminium Hexagon interior trim with high-gloss Black accent line underscore the vehicle's sporting credentials.

## M Sport package exterior equipment:

- M Aerodynamics package with front apron, side skirts and rear apron with diffuser insert in Dark Shadow metallic
- BMW kidney grille with eight exclusively designed vertical slats with front sides in Black high-gloss
- LED fog lights
- 17" M light alloy wheels Double-spoke style 460 M with mixed tyres, or alternatively
- 18" M light alloy wheels Double-spoke style 719 M Jet Black; other wheels available
- M Sport suspension, alternatively
- Adaptive M suspension
- BMW Individual high-gloss Shadow Line
- M designation on the sides
- Tailpipe trim strip in Chrome high-gloss
- Exclusive paintwork in Estoril Blue metallic; other paintworks available

## M Sport package interior equipment:

- M door sill finishers, M driver footrest, knee pad on the right of the driver's footwell
- Sport seats for driver and front passenger in cloth/Alcantara combination 'Hexagon', Anthracite; other upholsteries available
- M Leather steering wheel
- Armcrest front, sliding
- BMW Individual headliner anthracite
- Instrument cluster with speedometer and revolution counter with chronoscaling
- Decorative stitching on the upper portion of the instrument panel
- Air conditioning and radio control unit with Pearl Chrome detailing
- Interior trim finishers in Aluminium Hexagon with Blue matt accent, alternatively
- Interior trim finishers in Fine-wood trim 'Fineline Pure' with Pearl Chrome accent; other trims available
- Shortened gear lever with M designation<sup>1</sup>
- Driving Experience Control with additional SPORT+ mode
- Orange or white variable Ambient light
- Car key with Estoril Blue detailing

The sport seats in Black Dakota leather with Blue contrast stitching also feature discreet piping in the traditional M colours.

17" M light alloy wheels Double-spoke style 460 M with mixed tyres, front 7.5J x 18 with 225/40 R18 tyres, rear 8J x 17 with 225/45 R17 tyres.

18" M light alloy wheels Double-spoke style 719 M Bicolour Jet Black with mixed tyres, front 7.5J x 18 with 225/40 R18 tyres, rear 8J x 18 with 245/35 R18 tyres.

When the front doors are opened, one's eyes are automatically drawn towards the M door sill finishers made of aluminium.

<sup>1</sup> Not available in conjunction with Steptronic transmission.

# BMW M PERFORMANCE.

The new BMW M240i.

Impressive driving dynamics and a genuine motorsport feel are hallmarks of an M Performance automobile like the M240i. With its unmistakeably athletic sound, the car's BMW M Performance TwinPower Turbo inline 6-cylinder petrol engine is engineered to delight. With a breathtaking output of 250 kW (340 hp), it is just the thing for anybody who ever dared to dream of more performance. Its optimised cooling system is well up to the task of dealing with its heightened performance. A low-set Adaptive M suspension<sup>1</sup> with variable damper control and even more athletic suspension and damping rates, spontaneous variable sport steering and M Sport brakes combine to masterfully transmit power to the road. Short-throw gearshifts in versions with a manual transmission transform quick gear changes into a thrilling experience. While the M Aerodynamics package offers an excellent visual interpretation of the vehicle's athletic pedigree. The package includes a front apron with larger air inlets, special side skirts and a rear apron with a diffuser insert. The striking tailpipes come in dark Chrome. The M240i rolls on 18" light alloy wheels in the exclusive M design. In the interior, driver and front-seat passenger enjoy Sport seats that offer outstanding lateral support. The easy-grip M Leather steering wheel with contrast stitching features multifunction buttons. Special interior trim finishers offer a tantalising visual foretaste of the vehicle's athletic potential.

**M PERFORMANCE**

The M Aerodynamics package refines the entire aerodynamics even further. The M Aerodynamics package includes a front apron with larger air inlets, special side skirts and a rear apron with a diffuser insert. The tailpipes come in dark Chrome.

The instrument cluster with chronoscales and Info Display provides a clear overview of all relevant information while at the same time making you look forward to the drive, with M240i lettering that lights up when you start the M Performance automobile.

# EQUIPMENT HIGHLIGHTS.

Equipment 32 | 33

Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

Standard equipment  Optional equipment

Adaptive LED headlights with full LED technology include integrated turn indicators, low-beam headlights, high-beam headlights, as well as daytime running lights for safety and optimal illumination of the road. The High-beam assistant and Adaptive headlights with variable light control significantly enhance visibility in the dark – for relaxed driving almost like daily conditions.

The Wind deflector<sup>2</sup> provides the driver and front passenger with effective protection from draughts at neck and shoulder-height, even when travelling at high speeds. When it is not needed, the collapsible sides can simply be folded together for easy and compact storage.

From the daytime running lights to the low-beams and high-beams, all of the functions in the LED headlights have a longer lifespan and save more energy thanks to LED technology. The dynamic, flat headlights feature automatic light range regulation and increased visibility at night and in bad weather thanks to excellent illumination with a light colour similar to daylight.

The light generated by the LED fog lights is very similar to daylight and enables the driver to see better and drive more safely in inclement weather.

The mirror caps are painted high-gloss Black<sup>1</sup> instead of in the body colour. They emphasise the car's athletic look and create an individual appearance.

The Comfort access system allows passengers to enter the car via the front doors and open the tailgate without having to actively use the key. The key must simply be nearby, in the driver's trouser pocket for example. To unlock the doors, it is only necessary to touch the handles or the tailgate button.

The Storage compartment package offers a multitude of additional storage options, including fastening points in the luggage compartment.

The Trailer tow hitch with removable ball head and trailer stability control is capable of pulling loads of up to 1,500 kg.<sup>3</sup>

The Chrome Line Exterior features front and rear side window recess finishers, the trim on the A-pillars as well as the softtop cover trim strips in high-gloss Chrome. This emphasises the exterior's highly sophisticated appearance.

The electrical Glass roof with slide and lift function including sun protection, anti-trap protection, comfort opening and closing via remote control and one-touch function allows you to regulate the air flow rate according to your preference to create a pleasant interior climate. The integrated, automatically extending wind deflector guarantees a high level of acoustic comfort.

The Convertible softtop considerably reduces the noise level in the interior and also provides outstanding insulation against the cold. No matter whether seen from the inside or outside, its high-quality look is a real headturner. The softtop can even be opened or closed fully automatically at speeds of up to 50 km/h.

<sup>1</sup> Only in conjunction with Sport Line.

<sup>2</sup> Only available for the BMW 2 Series Convertible.

<sup>3</sup> The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.

# EQUIPMENT HIGHLIGHTS.

Equipment 34 | 35

Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

Standard equipment  Optional equipment

Active cruise control with Stop&Go function<sup>1</sup> maintains a preselected speed, as well as the distance to the driver ahead.

The Sport seats for driver and front passenger provide optimum lateral support with their raised side bolsters and manually adjustable thigh support. The fore-and-aft position and seat angle can be manually adjusted, while the backrest width can be adjusted electrically.

Telephony with wireless charging<sup>3</sup> includes a wireless charging dock and additional USB ports. A roof aerial connection improves mobile reception. Two mobile telephones and an audio player can be connected simultaneously via Bluetooth. Also included are: Bluetooth Office and the technical capacity for a WiFi hotspot.

When the rear-seat backrest is folded down, a large practical through-loading gap, which is 450 mm wide and 246 mm high, becomes available for the easy transportation of longer objects, such as sport equipment.<sup>4</sup> The back of the rear-seat backrest serves as a storage surface. A remote unlocking button in the rear offers a high level of operating comfort.

The Navigation system Professional, including USB interface, 8.8" LCD colour display and Radio BMW Professional with a DVD player, comes with a three-dimensional map display and 20 GB of memory. The system is operated intuitively via the iDrive Touch Controller or touch screen. Map updates are available for three years without license fees.<sup>2</sup>

The Instrument cluster with extended contents: includes Info Display for the presentation of navigation instructions and various controls.

The Multifunction buttons for the steering wheel can be used to operate the telephone, voice control and audio functions, as well as the Manual Speed Limiter.

The 8-speed Steptronic Sport transmission offers incredibly sporty gear changes. Whether automatic or manual using gearshift paddles or gear lever.

The Automatic air conditioning with two-zone control and automatic temperature regulation features separate controls for the driver and front passenger. It includes rear air vents, Automatic Air Recirculation (AAR), an active carbon filter, fogging and solar sensors, as well as automatic day/night adjustment in the display from white to orange.

The Parking assistant makes parking parallel and perpendicular to the road easier. The system works by measuring even tight potential parallel parking spaces while driving past at a low speed. When a suitable space has been found, the Parking assistant takes over the steering, while the driver is responsible for selecting the correct gear, as well as pressing the accelerator and brakes.

The Rear view camera enables improved orientation when reversing at speeds below 15 km/h, for example when parking. It shows the area behind the car on the Control Display. Interactive track lines for measuring distance and turning circles assist the driver when manoeuvring, obstacles are marked in colour.

Preparation for Apple CarPlay<sup>5</sup> supports the convenient and wireless use of selected iPhone® functions in the vehicle. This allows smartphone content and functions such as music, iMessages/text messages, telephony, Siri, navigation and selected third-party apps to be displayed and operated via the vehicle's user interface and via Voice control.

The equipment includes a built-in WiFi hotspot<sup>6</sup> using the LTE standard, which allows for a paid internet connection. The vehicle is connected via the built-in SIM card with a fee-based hotspot plan from a service provider.

<sup>1</sup> Only available in conjunction with Steptronic transmission.

<sup>2</sup> As part of BMW ConnectedDrive, in selected European countries the system automatically updates domestic maps up to four times per year, for a period of three years.

<sup>3</sup> Supports inductive charging for Qi-compatible mobile phones. Special charging cases are available from Original BMW Accessories for selected smartphones that do not support the Qi standard for inductive charging. The WiFi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.

<sup>4</sup> Through-loading hatch only available for the Convertible, Coupé with 40:20:40-split rear seatback.

<sup>5</sup> Apple CarPlay® compatibility and supported functions depend on the model year and the software installed on the iPhone®. When the Apple CarPlay® preparation is used, selected vehicle data is transferred to the phone. The mobile phone manufacturer is responsible for further data processing.

<sup>6</sup> The WiFi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.

Optional and standard equipment vary according to country.

17" light alloy wheels Double-spoke style 655, 7.5J x 17, 225/45 R17 tyres.

16" light alloy wheels Star-spoke style 654, 7J x 16 with 205/55 R16 tyres.

18" light alloy wheels Double-spoke style 385 with mixed tyres, front 7.5J x 18 with 225/40 R18 tyres, rear 8J x 18 with 245/35 R18 tyres.

16" light alloy wheels Star-spoke style 376, 7J x 16 with 205/55 R16 tyres.

17" light alloy wheels Star-spoke style 379, Orbit Grey, gloss-lathed, 7.5J x 17 with 225/45 R17 tyres.

16" light alloy wheels V-spoke style 378, 7J x 16 with 205/55 R16 tyres.

17" light alloy wheels Y-spoke style 380, 7J x 17 with 205/50 R17 tyres.

18" M light alloy wheels Double-spoke style 436 M<sup>2</sup> with mixed tyres, front 7.5J x 18 with 225/40 R18 tyres, rear 8J x 18 with 245/35 R18 tyres.

18" M light alloy wheels Double-spoke style 719 M Jet Black<sup>1</sup> with mixed tyres, front 7.5J x 18 with 225/40 R18 tyres, rear 8J x 18 with 245/35 R18 tyres.

# ORIGINAL BMW ACCESSORIES.

Standard equipment     Optional equipment     Accessories

The Pro 2.0 rear bicycle rack is lightweight yet sturdy and can carry up to 60kg. Exceptionally easy to use, it carries two bicycles or e-bikes (can be extended to accommodate three bicycles). Its tilt function also allows easy access to the luggage compartment at all times.

The lockable racing bicycle holder enables the secure transport of racing bicycles with quick-release clamps. It is made of high-strength aluminium and features a simple clamping system for attaching bicycles. A separate front wheel holder is also available.

19" light alloy wheels Star-spoke style 660 in Bicolour Orbit Grey, gloss-lathed on the visible side. TPMS complete summer wheel set with mixed-size run-flat tyres, wheel size 7.5J x 19 with tyre size 225/35 R19 88Y XL at the front and 8J x 19 with tyre size 245/30 R19 89Y XL at the rear.

The coat hanger slots into the separately available base (required) and can also be used outside the vehicle.

Precisely fitting protection against moisture and dirt in the front footwell. Coloured black with a red edge, the mats perfectly match the interior.

The key pouch, made from quality leather, protects from soiling and inadvertent pressing of buttons. In black and blue, to complement the M Sport package.

When the doors are opened, one of a choice of four graphics is projected on the ground adjacent to the vehicle, for perfect illumination of the entry area.

Anti-slip, water-resistant, durable mat for protecting the luggage compartment from dirt and moisture. In black/red; colouring complements the interior.

<sup>1</sup> Only available in conjunction with the M Sport package.

<sup>2</sup> Only available in conjunction with M240i and M240i xDrive.

Optional and standard equipment vary according to country.

Tank capacity (approx.)	l	52	52	52	52	52	52	52

All dimensions in the technical drawings are given in millimetres.

Quoted performance, fuel consumption and CO<sub>2</sub> emissions figures refer to vehicles with standard transmission. Figures in [ ] refer to vehicles with Steptronic transmission.

<sup>1</sup> Figures quoted are based on a 90% full tank and a driver weight of 75 kg. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase actual vehicle mass.

**2** The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.

<sup>3</sup> All engines comply as standard with the EU6 exhaust emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle. This is made up of approximately one-third urban and two-thirds extra-urban driving (based on distance covered). CO<sub>2</sub> emissions are measured in addition to fuel consumption. Optional equipment may increase these figures. Fuel consumption and CO<sub>2</sub> emission figures are dependent on tyre format (higher figures refer to models with optional wheels).

Optional equipment may increase these figures. Fuel consumption and CO<sub>2</sub> emission figures are estimates. For further information on fuel consumption and CO<sub>2</sub> emissions, please contact your BMW partner.
